3. Provision of the Service

3.1 The Access Code Service will be available on first use by the Customer.

3.2 We will provide you with the CPS Service once it has been activated, which will usually take place within approximately twelve (12) working days of you registering with us.

3.3 We will provide you with the Broadband Service once it has been activated, which will usually take place within approximately five (5) working days of you registering with us and having provided us with a properly completed Direct Debit/Continuous Credit Authorisation. The Broadband Service is only available to Customers:

- (a) with the Broadband Equipment; and
- (b) who are registered for the "all calls" CPS Service.

3.4 One, or more, of the Services may not be available where access is provided by certain Electronic Communications Network providers or on certain ISDN lines, phone types, modems or unserviceable areas.

3.5 Use of an Access Code will override international call barring and use of the CPS Service will override all call barring services. The Service is only available to people with a UK billing address and to people who are 18 years and over.

3.6 Without prejudice to our rights under condition 4.4, we reserve the right to:

- (a) refuse to provide any Service if you fail to satisfy any of our internal credit or other criteria; and
- (b) bar or limit any destination(s) to which you may wish to make calls using the Service.

3.7 In order to limit fraudulent use of the Service or the risk of non-payment of any Charges, Call Sense UK will establish an undisclosed usage limit. This limit will be based on past Customer usage of the Service and other factors. If exceeded, it will trigger the Service to block a Customer's calls or block access, as the case may be, without notice.

3.8 An advance payment, of an amount reasonably determined by us, may be required from you in order to use or go on using the Service when there has been high usage of the Service or due to your current state of creditworthiness, to ensure the payment of future Charges. Call Sense UK may use the advance payment, in full or in part, towards any amounts owed to us. If there is any amount of the advance payment remaining when the Service is terminated and all outstanding amounts due to us have been paid, including any costs reasonably incurred by us, that amount will be returned to you.

3.9 Call Sense UK reserves the right to refuse account applications if, in Call Sense UK's sole discretion, the account will affect Call Sense UK's ability to provide the Service to other Customers due to traffic volumes or otherwise.

3.10 Call Sense UK will provide the Service with the reasonable skill and care of a competent telecommunications provider. For the Broadband Service, Call Sense UK cannot guarantee upload and download times or that access will be possible at all times. Nor, in respect of the Service generally, can Call Sense UK guarantee that it will be fault-free. In particular, but without limitation, in the case of the Broadband Service, Call Sense UK assumes no responsibility for the timeliness of delivery, faulty delivery, or the deletion or failure to store any messages. Activation and de-activation times in this Agreement are approximate, Call Sense UK cannot guarantee activation or de-activation within these time periods and assumes no liability in relation thereto.

3.11 The Customer must have a BT line in order to access the Service and shall be responsible for paying all BT charges including BT line rental.

3.12 Some non-geographic numbers will not be accessible using the Service.

4. Variation and Suspension of the Service

4.1 Call Sense UK may alter any Access Code at any time, at our sole discretion or as required by any government agency.

4.2 The Customer agrees that, without prior notice, Call Sense UK may migrate any Service now offered to another Call Sense UK offering or giving an equivalent or more favourable price or rate plan.

4.3 Call Sense UK will give you not less than one (1) month's prior written notice of any modifications to the Agreement if such modification is likely to be detrimental to you. In such circumstances, you may terminate the Agreement without penalty in accordance with condition 6, provided that you will still be liable for all Charges for the Service outstanding at the date of termination.

4.4 Call Sense UK shall be entitled at any time, and at our discretion (without notice or liability, subject to condition 4.5), to suspend, limit, cancel, discontinue, enhance or vary the Service if necessary:

- (a) for technical or quality reasons;
- (b) for necessary maintenance and/or upgrades to the Call Sense UK system;
- (c) where credit references indicate the Customer is not suitable for the Service;
- (d) if you have failed to pay any Charges by their due date;
- (e) for legislative and/or regulatory reasons, or reasons outside Call Sense UK's reasonable control;
- (f) where we reasonably believe that the Service is being used other than in accordance with this Agreement; and/or
- (g) to modify or improve any Service.

4.5 If appropriate, Call Sense UK will try to give reasonable notice of any suspension, limitation etc. under condition 4.4.

4.6 Call Sense UK reserves the right to filter access to the Broadband Service, if necessary, to prevent network abuse (including, but not limited to abuse through software designed to exploit security weaknesses or to cause service attacks).

4.7 Extended credit terms can be made at the discretion of Call Sense UK. Failure to comply with the terms set out in any such agreement will result in immediate suspension of services. The usual notice period will not apply in these situations.

5. Charges and Payments

5.1 The Customer will receive an itemised bill on a regular basis. A non-itemised bill or additional copies of your bill can be requested through the Customer Service Centre for which we may charge a reasonable fee. Your bill will detail Charges incurred by you for use of the Service in accordance with our Price List(s). In the event that "e-billing" becomes available, Customers who choose to receive bills by any other means may incur a small administration charge per bill.

5.2

(a) You can pay for the Access Code Service or the CPS Service by:

- (i) Direct Debit/Continuous Credit Authorisation;
- (ii) an acceptable credit or debit card;
- (iii) personal cheque sent by post or paid in at a post office or bank;
- (iv) acceptable inter bank transfer;
- (v) postal order; or
- (vi) only if paying at a post office or bank, in cash.

(b) You must pay for the Broadband Service by either Direct Debit or Continuous Credit Authorisation.

(c) Customers (whose Service does not include the Broadband Service) who make payment by a method other than Direct Debit/Continuous Credit Authorisation may incur an additional administration charge per bill.

5.3 The Customer agrees to pay Call Sense UK promptly on receipt of an invoice or, in the case of Customers paying by Direct Debit/Continuous Credit Authorisation, by the due date agreed under the Direct Debit/Continuous Credit Authorisation instructions.

5.4 All Charges (unless otherwise stated) are shown exclusive of Value Added Tax ("VAT"). VAT is then calculated on the total amount due. VAT shall be paid by you at the prevailing rate.

5.5 Service usage will be determined by information or data logged by or on Call Sense UK's behalf and not by data or information recorded by the Customer.

5.6 If you fail to pay any Charges within the period of fourteen (14) days of the relevant due date for payment, you agree to pay or reimburse:

- (a) interest on the outstanding sum from the due date of payment to the date payment is received (both dates inclusive) at the rate of 3% above the base rate of Lloyds TSB, in force from time to time, compounded monthly;
- (b) a reasonable fixed charge to cover the costs of any cheque or mandate instruction returned unpaid by a bank or similar institution;
- (c) all fees, charges or expenses reasonably incurred by Call Sense UK in collecting or attempting to collect any Charges or debts owed by you to Call Sense UK or otherwise associated with your failure to pay the Charges in accordance with this Agreement; and/or
- (d) a reconnection fee, should the Service have been suspended or disconnected in accordance with this Agreement.

6. Term and Termination

6.1 In the case of the Access Code Service, this Agreement may be terminated by either party at any time and in the case of Call Sense UK, on not less than seven (7) days' prior written notice to the Customer. To terminate this Agreement, the Customer must cease use of the Access Code Service and either notify the Customer Service Centre, or give written notice of the date you wish to terminate the Service.

6.2 In the case of the CPS Service, this Agreement may be terminated by either party at any time and in the case of Call Sense UK, on not less than seven (7) days' prior written notice to the Customer. To terminate this Agreement the Customer must either call the Customer Service Centre, or give not less than fifteen (15) days prior written notice of the date you wish to terminate the Service. The termination may take approximately twelve (12) working days to be effective.

6.3 In the case of the Broadband Service:

(a) if you register for the twelve (12) month fixed term contract, the set-up fee will be waived by Call Sense UK and this Agreement shall be for an initial fixed term of twelve (12) calendar months from the date of its commencement in accordance with condition 2.2. It shall then continue unless and until terminated by either party giving not less than thirty (30) days' prior written notice to the other party. If, before the end of the fixed twelve (12) month term:

- (i) the Customer wishes to terminate this Agreement; or
- (ii) Call Sense UK terminates this Agreement for material breach by the Customer, the Customer must pay to Call Sense UK promptly on demand:

(iii) an amount equal to the set-up fee in force at the time of activation; and

(iv) an amount equal to the total of all fees which would have been payable had the Agreement gone on for the full twelve (12) months of the fixed term.

(b) if you register for the month by month contract (if available), you will have to pay a set-up fee. The Agreement will commence in accordance with condition 2.2 and shall continue thereafter unless and until terminated by either party on not less than thirty (30) days' prior written notice to the other party. In the event that the effective date of termination falls on a day in the middle of an invoice period, Call Sense UK shall reimburse the Customer a pro rated amount of any monthly fee already paid by the Customer which relates to the part of a month after the effective date of termination.

6.4 The Customer agrees to pay Call Sense UK promptly on termination of the Agreement, any monies and/or Charges, (billed or unbilled), outstanding at the date of termination. Call Sense UK will return any amount of the Customer's advance payment remaining after it has deducted such monies and/or Charges from the advance payment.

6.5 Either party may terminate this Agreement immediately on written notice to the other party if the other party ("the defaulting party") is in material breach of any of its obligations under this Agreement and either the breach is incapable of remedy or the defaulting party shall have failed to remedy the breach within seven (7) days of the date of a written notice requiring it to remedy the breach. In the case of the Customer, a material breach shall include the Customer:

(a) misusing the Service (which includes abusive calls to members of Call Sense UK staff at the Customer Service Centre(s));

(b) using the Service in a manner that adversely affects the provision of the Service to others;

(c) failing to make payment of any sums within the period of fourteen (14) days of the relevant due date for payment under condition 5.3;
